

INVESTOR FACILITATION CELL

The Department of Industrial Policy and Promotion (DIPP), Ministry of Commerce and Industry has developed an interactive web-portal (www.makeinindia.gov.in) under the 'Make in India' programme. This portal launched by Hon'ble Prime Minister on 25th September 2014 provides a platform for investors and the business community to interact with the government for information, clarification etc.

2. An Investor Facilitation cell has also been created by DIPP in Invest India. The names and contact details of the officials of the cell are given below. This cell may be used for providing information, assistance and advice to potential investors.
